Follow A57 Eccles/Irlam, at roundabout at bottom of slip road, follow A57 W, around the roundabout, 3rd exit onto Liverpool Rd, the stadium is on the left about a mile down.

PARKING

There is limited car parking at The Salford Stadium, and we advise that all match by match car parking should be booked, in advance, online by clicking [here](#). Cash/card payment on the day is also an option.

Do not park on nearby roads such as the Salford Western Gateway and land to the rear of the Barley Farm as we have been advised traffic enforcement will be in operation and you may be fined. (However, there is limited parking at the Barley farm pub but it is advised that you eat or drink here as the car park is for pub patrons only)

Car parking is situated in front of the main West Stand, with South car park used as an overspill area, and is controlled and operated by the The Salford Stadium.

Parking in the South overspill area can be pre-purchased via the above link for £7.50, with a £10 cost for pay-on-the-day. Parking in the West Stand car park is £10 both pre-purchased and on the day.

Once you have purchased your pass, you must activate your account via the link sent to your email address. If at any point you need to change the registration number, you must do it within your account prior to the game.

PUBLIC TRANSPORT

BUSES - The Salford Stadium is served by 2 bus routes. The 100 covering Warrington to Manchester and the 67 covering Manchester to Cadishead. There is a short walk from the bus stops.

We now operate a shuttle bus service on match day to and from the Trafford Centre. Details on how you can access this service can be found [here](#).

METROLINK (TRAM) - The nearest Metrolink station is at INTU Trafford Centre. There is an approx. 20 minute walk to the stadium from the Trafford Centre. The walk from Eccles Metrolink is approx. 35 minutes. See Metrolink info [here](#).

Alternatively, our shuttle bus services – as mentioned above – runs from the Trafford Centre bus station.

TRAIN - The closest railway station to the site is Patricroft, 3.3km away (31 minute walk). There are several other railway stations nearby to the stadium which can be accessed by bus services including Irlam (5.6km/ 1 hour 9 minute walk) and Eccles (3.7km/ 47 minute walk). Eccles and Patricroft stations are served by the Northern Rail service between Liverpool Lime Street and Manchester Victoria; both of which have onward connections to the rest of the country. Irlam is served by service from Liverpool to Manchester Oxford Road.

PRE/POST MATCH

Previously there has been a marquee/outside bar area at Salford games and a fans bar underneath the main stand, however, on our last visit, only the outside bar was operating, but there was big queues as only 2/3 beer pumps were on.

There is the Barley farm pub, but it does get very busy on matchdays as you'd expect, there are also outlets in the Trafford centre.

MATCHDAY

Giants fans have been allocated sections in all but the home terracing of the ground, the East stand is seated, the North stand is terracing, and we've also been given a section of the West (main stands previously).

Segregation isn't generally enforced so fans can usually stand/sit anywhere unless there are restrictions.
