PRE/POST MATCH

There's the red robin pub on the complex which also does food, it does get very busy on matchdays as you'd expect though, there are the usual eateries on the retail park for food as well.

There is a fanzone at the Robin Park arena next door and also a supporters bar at the stadium as well as the usual kiosks inside the ground.

Further away, in the centre, near the stations is Wigan Central, and excellent bar with everything from standard lagers to craft ales and ciders.

There are plenty of pubs in Wigan town centre which is about 20 minutes' walk away.

MATCHDAY

Although Wigan don't operate an official segregation policy, away fans are usually allocated seats either in the North Stand, behind the posts or if the demand is low, East Stand down the sides, away fans are welcome to sit anywhere inside the stadium though, which is all seated.
